Packing 207 unit squares

Exact rational certificates | Updated 12 October 2026

Previous construction

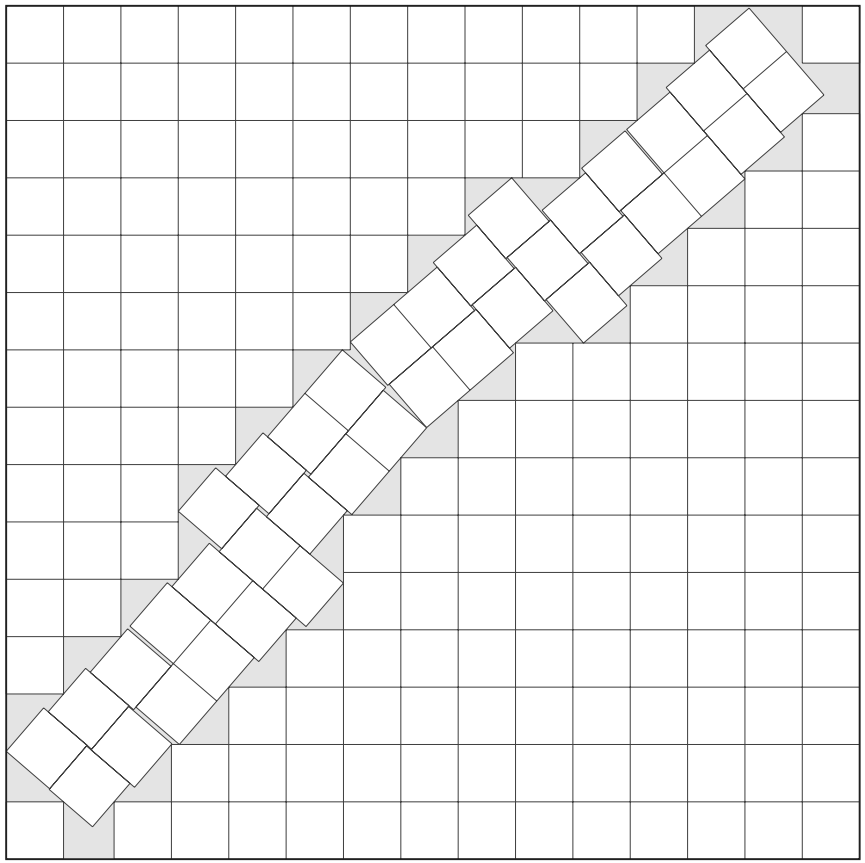

L = 14.885506308842 (rounded upward)

Nate Chaoweeraprasit / SQUISH

PingYou Ltd - refined certificate

L = 14.880960371559 (rounded upward)

Source lineage: Ryan Xu / Evan Daniel

Refined exact side: 14.880960371558556192074311116

Reduction from our original submission: 1.485119439861748022117050117863 9E-9

Exact checks: 207 unit squares, 828 wall conditions and 21,321 pairs. The finite guard is included.

Grey denotes uncovered area. Both drawings use the same scale. The rational certificate is the mathematical witness.

A refinement of the existing construction; no claim of local or global optimality.
